# **GARDEN BED RANGE**

Colerbond

### Waterplex offers a range of steel raised round and slimline garden beds:

- Available in Slimline or Round shape
- With or without a bottom
- In standard Galvanised Steel or Colorbond Colours®
- Lightweight and easy to install
- Have a folded top for strength and safety

# Slimline Garden Bed

The slimline garden bed comes in three different heights. It's AQUAPLATE® steel construction means it's tough and you can customise the length, width, height and colour to suit your lifestyle. The height options allows you to grow plants, vegetation or flowers, making a statement piece in any backyard.

## Round Garden Bed

Our round raised garden beds are a modern alternative to traditional wooden garden beds. It's round design allows you to create a statement piece in any garden space. It's built tough with high grade Colorbond steel and comes in a wide range of widths, lengths and colours to fit your lifestyle.

## **SLIMLINE - 510MM**

### **SLIMLINE - 800MM**

**SLIMLINE - 1020MM**
